I authorize Marshfield Utilities (MU) to instruct my financial institution to deduct my payments from my account at the institution named on the enclosed voided check. This authorization will remain in effect until I terminate it, allowing reasonable time for MU and my financial institution to act or I request a final billing for a closed account. I have the right to stop payment on an entry by timely notification to my financial institution. MU also has the right to cancel this agreement for insufficient payments to my account.

BE SURE TO INCLUDE A VOIDED CHECK. THIS WILL TELL US FROM WHICH BANK ACCOUNT YOU WANT YOUR PAYMENTS DEDUCTED. If you wish to have your payment deducted from your savings account, on a separate sheet of paper, provide name of financial institution, ABA number, and savings account number.
