

WaterSense Toilet Rebate Application

Marshfield Utilities is offering a **\$50 rebate for residential and multi-family dwelling water customers** who replace their high water using toilets with EPA WaterSense rated High Efficiency Toilet (HET) models. Toilets eligible for the rebate must be HETs and must be on the EPA WaterSense approved list. A list of WaterSense certified toilets can be found at: <https://www.epa.gov/watersense/product-search>

Eligibility

This offer is available for HETs purchased **after May 1, 2009**.

This offer is available to **Marshfield Utilities residential and multi-family water customers only**, for a limited time and may not be combined with any other utility offer. One toilet rebate per residential household per year, two toilet rebates per multi-family dwelling per year. Applications will be accepted on a first-come, first-served basis, until allocated funds are spent. This program may be modified or discontinued at any time without notice.
